Are you suffering from Sleeping Problems? Or Being Insomniac? Don't be worried about it.

A lot is riding on the mattress that you are using at night when it comes to the quality of your sleep.

HOW DO BIO-MAGNETI C MATTRESSES WORK?

- 01** Your body naturally has magnetic and electric fields. All your molecules have a small amount of magnetic energy in them. The thought behind magnetic field therapy is that certain problems happen because your magnetic fields are out of balance. If you put a magnetic field near your body, it's believed things will go back to normal.
- 02** Ions like calcium and potassium help your cells send signals. In tests, scientists have seen magnets change how these ions act. However, so far, there isn't evidence that magnets have the same effect on cells when they're in your body.
- 03** PAIN RELIEF is the most common use of magnets. Wounds and painful areas of the body are marked by a lack of oxygen and poor circulation. It is believed that magnetic stimulation helps to increase blood circulation. A negative magnetic field is used to normalize disturbed metabolic functions causing painful conditions like inflammation and cell degeneration. Magnetic fields put directly on top of the head has been proven to have a calming effect.
- 04** 100% Scientifically and Medically proven by root help to eliminate balance control high by low BP Diabetes, Heart attack, Cancer, Paralysis body pain joint.

FOOT MASSAGER

Relieves foot tension, pain, and chronic fatigue by targeting natural acupuncture points. Provides total relaxation when you are tired, especially after a hard day at work. Small and handy, it can be carried anywhere for instant relief.

This mat massages your feet, stimulating blood circulation throughout your body. It removes congested blood from your veins and reduces pain, and also makes your body slimmer and fitter by reducing swelling.

The Bio-acupoint massage mat can be set to 9 different intensity levels. Choose the right level for your needs and relieve fatigue

NECK MASSAGER

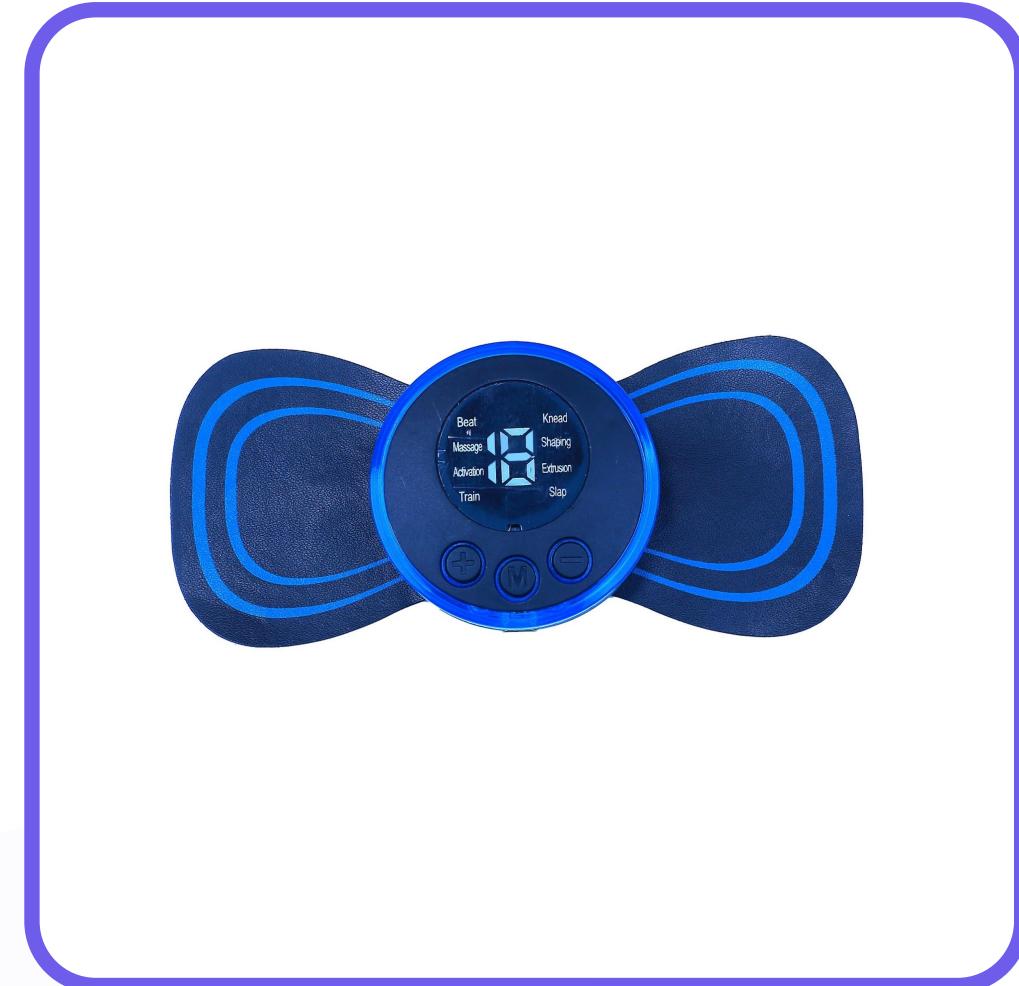

An EMS Electric Pulse Massager is a portable device that uses electrical muscle stimulation (EMS) technology to provide a relaxing and therapeutic massage to the neck area. It works by sending electrical pulses to the muscles, causing them to contract and relax, which helps to relieve tension and reduce pain.

The EMS Electric Pulse Massager can effectively alleviate neck pain and stiffness caused by poor posture, stress, or muscle strain. The electrical pulses generated by the massager help to increase blood flow to the neck muscles, promoting healing and relaxation.

The gentle muscle contractions induced by the massager help to release tension and knots in the neck muscles, providing relief from muscle tightness. The soothing massage provided by the EMS Electric Pulse Massager helps to relax the mind and body, reducing stress and promoting overall well-being.

BIO MAGNETIC BRACELET

Enhance Your Strength and Stamina. A magnetic Bracelet uses magnets to control the amount of radiation and electric energy the body is exposed to during sleep. It is considered an effective tool to help you achieve a deeper and more recuperative sleep.

It is also believed to increase blood circulation and treat different types of pain. One of the most commonly reported benefits of wearing a magnetic bracelet is pain relief.

Many people with conditions such as arthritis, fibromyalgia, and carpal tunnel syndrome have reported a reduction in pain and inflammation after wearing a magnetic bracelet.

While the exact mechanism behind this is not fully understood, it is thought that the magnets help to increase blood flow and oxygenation to the affected area, leading to reduced pain and inflammation.

Additionally, some people believe that the magnets may help to stimulate the body's natural pain-relieving mechanisms, leading to further pain relief
